

Cloze for U.S. History, Government, and Geography CASAS Listening Test

On , , we will have a U.S. Government and History Listening Test. The test has thirty questions. You will need to answer eighteen questions correctly to pass the test. This is only sixty percent. For the test you will have a Scantron to bubble in your answers and a test book with multiple choice answers. You will hear the questions, check your book for possible answers, and then bubble your answers.

To prepare to take this test, you'll need a computer or a smart phone. Go to www.ESLAmerica.US. Find the EL Civics Page. On the EL Civics page, scroll down to U.S. History, Government, and Geography: EL Civics. The first two items will help you practice for this test. Your teacher will give you a worksheet for writing the answers to the questions as you listen. I hope you enjoy preparing for this challenging test.
