King's World has activities for children, teenagers, and adults. If you are a child, you will like the animal shows and the children's rides. If you are a teenager, you will like the fast rides and the dance competitions. If you are an adult, you will enjoy the concerts and the many different restaurants. After you spend a long day at King's World, you will be tired but happy. Every evening ends at 9:00 p.m. with spectacular fireworks.

General admission is \$55.00 for adults and \$35.00 for children under 10 years old. It is expensive to take your family there, but you and your family will have a great time. If you want to save some money, you can bring a picnic lunch.
