**Trung Tâm Giáo Dục Lincoln Education
11262 Garden Grove Blvd.
Garden Grove, CA 92843**

Student Spotlight

Cristina Sanchez

Cristina is a Low Intermediate student taking classes in the morning. She was nominated by her former teacher, Ms. Alisa:

"Cristina is an exceptional woman working hard to overcome her literacy skills. She has raised beautiful children who are successful adults and support her through her educational endeavors. She walks to school every day even though she has health issues and it can be difficult. She is so friendly to all the students and makes new students feel welcome. She is the one who tells me the number of students we have in class so I can write it on the board for our daily count. If a student doesn't have paper or something to write with, she is one of the first people to offer one of hers. She understands that learning new things takes longer than most others, but she still continues to try and works hard on her homework every day. I am so proud of her and her understanding that with patience, opportunity, and time, her English will improve."
