

Apply for the Affordable Connectivity Program Online

The Affordable Connectivity Program (ACP) is a permanent, government program that provides a discount on home internet bills for qualifying low-income households. This program replaces the Emergency Broadband Benefit (EBB) program. You can see if you're eligible and apply for the program online! After your application is accepted, the next step is to contact an Internet Service Provider about getting home internet.

If you have questions at any point during the application process, please call the Senior Planet Tech Hotline: 1-877-745-1930
