

Garden Grove Adult Education

Teacher Spotlight: Louise Gustafson

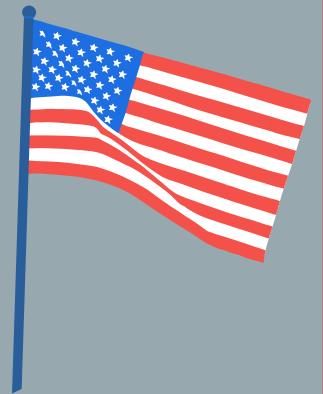

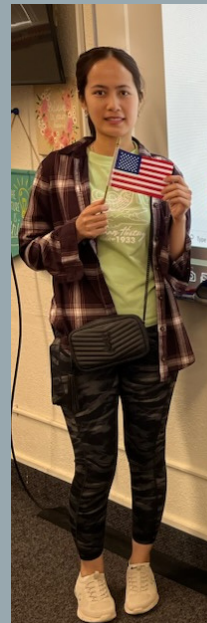

"I've taught for Garden Grove Adult Education for 46 years. I began as a Reading Lab Teacher. I then went on to teach Vocational ESL, Intermediate and now Low Beginning ESL. It's been a fun yet challenging journey. My goal has always been the same - to assist students to feel comfortable in their new country as they learn a new language, a new culture and face many obstacles. My favorite things to do are gardening, watching British TV detective shows and babysitting my new granddaughter, Juliet!"
