

Garden Grove Adult Education

Meet the Teacher: Diana Mancía

"I have been teaching mornings at Lincoln for eight years. I teach High Intermediate ESL and I love my class every year. I taught elementary school for 20 years as a bilingual (Spanish/English) teacher. That is where I met my husband. I was teaching 1st grade and my husband was teaching 2nd grade. My husband, Carlos Mancía teaches beginning ESL here at night. My favorite things to teach are the American songs and stories. I also enjoy teaching American culture and traditions. At home, my hobbies are reading and gardening. I belong to a Garden Club and have a beautiful flower garden."
