

Noble Aerospace is a holding company of market-leading aerospace companies dedicated to providing the highest quality metal finishing services. With over 70 years of experience, we are a trusted, longstanding partner to the largest commercial and military contractors around the world. The hallmarks of our facilities are quality, service, single-source solutions, safety, and environmental responsibility.

We believe it ultimately comes down to trust. When there are lives at stake and billions of dollars on the line, you need complete confidence in your supplier. That trust is built on decades of quality and innovation. It is built on hitting deadlines and building relationships. It is built on surpassing expectations every step of the way. We look forward to starting the journey with you.

Our subsidiaries include, All Metals Processing and Embee Processing located in Orange County, CA. Both subsidiaries offer benefits to all Full-Time employees:

- PTO (Paid Time off or Vacation & Sick)
